

Dear Sir or Madam,

In the view of the state of the pandemic announced by the WHO and the rapid growth of COVID-19 coronavirus cases in Europe and Poland, we are forced to take necessary preventive measures.

Taking into account the need to protect the health of our employees, partners and other people staying at NiUW Glinik, as well as ensuring the continuity of the Company operations, we kindly ask you to use, first of all, telephone or electronic (e-mail) communication channels. Moreover, the documents that must be submitted in paper form, should be sent in the original by post.

We should stand in solidarity and be responsible about maintaining basic precautions for the health of all of us. Therefore, for your and our safety, we have limited the number of meetings/visits and cancelled all domestic and foreign business trips. We do follow recommendations of the Polish Ministry of Health.

At the same time, we would like to inform you that at present NiUW Glinik is conducting its business in an uninterrupted and fully operational way. I hope that the current situation will lead to resolution and we will be able to return to the regular methods of cooperation and communication as soon as possible. We strongly count on your understanding and cooperation – as the way we stand and react in current situation, will have an enormous impact on future.

If you have any questions or doubts, please feel free to contact by phone or email with NiUW Glinik representatives, dedicated to your contracts.

Kind regards,

Grzegorz Sidor
